## 2017 CONGRESS SESSIONS

The AAACE 26<sup>th</sup> Annual Scientific and Clinical Congress includes a variety of educational sessions, many of which require your advanced selection. The various sessions listed below offer multiple course options; however, attendees may only participate in one course per session. With the exception of the Wednesday Special Sessions, tickets are not issued for these courses, and seating is ultimately first come, first served; however, your advanced selection is requested to ensure sufficient space and materials are allotted. Courses offered during the Wednesday Pre-Congress sessions require an additional registration fee and will be ticketed. Please indicate your selections by checking the appropriate boxes below.
